

YOU'RE INVITED TO THE LARGEST SATELLITE & SPACE SYSTEMS TECHNOLOGY SHOW ON EARTH!

EXHIBIT HALL HOURS

MONDAY, MAY 6
11 AM - 5:30 PM

TUESDAY, MAY 7
10 AM - 6 PM

WEDNESDAY, MAY 8
9 AM - 3 PM

Gain Insight Into Emerging Trends & Technologies at the Largest Exhibition Dedicated to Connectivity Technology!

WHAT DOES YOUR FREE EXHIBIT HALL PASS GET YOU?

- ✓ **Access to the Exhibit Hall** Monday – Wednesday, where you'll discover the latest in satellite technology from 350 leading companies, get hands on with the products and ask your questions directly to the technical staff!
- ✓ The opportunity to **network with more than 15,000 communications professionals** during the Welcome Reception on Monday, May 6.
- ✓ Admission to the **General Sessions** on Monday, Tuesday and Wednesday! Join thought-leaders from all connectivity communities as they discuss what the next big technology disruption will be, how satellite services fit into industrial Internet-of-Things, and the importance of cultivating diversity within the aerospace industry..
- ✓ Witness the next big idea in aerospace at the 3rd Annual **Startup Space competition** – where entrepreneurs pitch their business and technology ideas to a panel of highly accomplished judges!
- ✓ **NEW FOR 2019!** The all new **Startup Pavilion** will give you an opportunity to meet with new market entrants who possess fresh ideas and solutions for your connectivity needs – meet with an impressive group of innovators that are breaking new ground!
